

CAMPING REQUIREMENTS

Cooking/Kitchen Requirements

- *No flesh foods should be prepared while at Mountain View Summer Camp (MVSC)*
- *Bring your own Bucket(s) ~ Each camp site needs to have at least 1 bucket to carry water from the faucet to their campsite*
- *Bring your own Food Strainer ~ Each camp site needs to have a food strainer*
 - *Left over food needs to be strained*
 - *Liquid (gray water) is strained into a bucket, pot or container and disposed of into the toilet (not onto the ground ~ this could attract unwanted visitors from the forest/woods)*
 - *Solid food waste is to be disposed of into the GARBAGE CAN (not the toilet)*

Bathroom Requirements

- *Maximum of 2 people at a time (this includes anyone who may be in the shower)*
- *If scheduled, families (of more than 2) may go into the washroom together*
- *Each person (family group) is required to disinfect area's they are going to touch prior to using the facilities (toilet, sink, paper towel dispenser etc.) ***Family Group would be those who reside in the same household***
- *Each person (family group) is required to disinfect anything they have touched before leaving the bathroom facility (toilet, sink, paper towel dispenser etc.)*
- *The next person (family group) is requested to do the same (as points above)*
- *Bring your own hand sanitizer/disinfectant, cleaning supplies*

Laundry

- *Laundry facilities are NOT available during COVID19.*

When you Leave

- *Clean your camping area so it looks as it did before you came (or better).*
- *Clean any other area you (or your group) may have been during your stay. Pick up any garbage lying around.*
