Leaders Bio

The Gerbers have been working with the 3&4 year olds for a long time...a long, long time!...and have enjoyed it every year! The Gerbers are based in Kelowna and are a Mother/Daughters team. Cherri is a Upper Years Math/Science Specialist at Okanagan Christian School, Shannon is a Primary Specialist teaching Kindergarten at Kelowna Christian School, and Caitlin is a Registered Nurse working at KGH. Cherri and Shannon are also both children's ministries teachers at Orchard City SDA Church. We believe that teaching some of the littlest children about how much God loves them, and how His plans for His people are shown through creation, is the highest calling that can be received. Camp Meeting is a highlight of each year, and we are looking forward to the unique opportunities

and challenges that Camp Meeting from a distance will hold for us all. We are glad to be back together, and we can't wait to show you our corner of creation!

Highlights of the program this summer:

Let's Explore God's Green Earth!

Join us as we explore God's creation through the mountains, forests, and ponds of British Columbia! In the morning, children will enjoy songs, stories, and lots of play as we learn more about the plants and animals that we can enjoy when we explore our world. Afternoons include more songs, stories, and play, as well as outdoor games and a craft!

Please note that any children staying in the class without a parent must be registered and wearing a wrist band. We also give parents and children matching tickets at drop off, with the expectation that anyone picking the child up must have that ticket. If the ticket is lost, we require photo identification for an adult listed on the registration form in order to release the child.
