Doctrine

How Soon is Soon? “God’s purposes know no haste and no delay” Jesus is coming soon. This theme has been our central message. We live with the same air of expectancy. And yet we’re still here, still waiting for His return. Author Marvin Moore tackles this tension by examining our expectations about the future. He shows how they influence our sense of mission. To be sure, Bible prophecy and current events point to Jesus’

soon return, but the precise timing rests entirely with God. He has only called us to share His love with a dying world.
