Some of the topics covered include surrender and acceptance, victory in Christ, a united church, and the great controversy. In the section "The Book of Books" we find this gem:

The Holy Spirit, sent from heaven by the benevolence of infinite love, takes the things of God and reveals them to every soul that has an implicit faith in Christ. By His power the vital truths upon which the salvation of the soul depends are impressed upon the mind, and the way of life is made so plain that none need err therein.
